This document outlines the reschedule and cancellation policy details needed for the Ohio North Northern Conference. Be sure to read through this document so you are familiar with all requirements of rescheduling and game cancellations.

GAME RESCHEDULES

Teams are permitted to change current game site, date and/or time provided that such change is made more than three (3) days prior to a scheduled game. **Games proposed and approved three (3) or fewer days before the scheduled game will be assessed a \$75 fee to be charged to the team/club requesting the change.** To request a game change, the following procedures must be met:

1. The team seeking to make the change contacts its opponent. Opponent must mutually agree on the game change in order for the game change to occur. When notifying the Conference Administrator of any game changes, such communications must also be sent to all teams involved.
2. If mutually agreed, complete the online form [here] which includes the game number, gender, age group division and revised game date, time and site.
3. The Conference confirms the change by posting the revised game in the league scheduling system.
4. Home (host) team contacts local referee assignor with the change(s) at least three (3) days prior to the original game date. Also, referee assignors are to be advised a minimum three (3) days prior to the date of a rescheduled game or they are not required to fulfill the request for referees.

GAME RESCHEDULES WITHIN 24 HOURS

Unless there is inclement weather or a field is deemed unplayable, a game **CANNOT** be rescheduled within 24 hours. If a team is unable to play the game as scheduled and it is less than 24 hours to kickoff, the game will be considered a forfeit. The team will be assessed with a forfeit fee plus referee fees assessed to both teams/clubs. *(See Forfeit Section)*

GAMES NOT PLAYED AS SCHEDULED

Games not played as scheduled, or games that are rescheduled without the prior knowledge and consent of the Conference Administrator, will result in forfeit(s) for the teams as well as fees at least equal to the reschedule fee plus referee fees assessed to both teams/clubs.
